

TEAM STUDIO ART HIVE

The Team Possibles Tuesday Studio Group is hosting Community Outreach Art Hive sessions for small community groups (5 - 7 participants).

The Team Possibles Studio group is made up of young adults and adults from our local Down syndrome community.

The Team will set up a team building art project that you and your colleagues can participate in free of charge.

The members will work with you to determine which team building art project will best suit your group.

For more information and or to book your group please contact the *Teams* community liaison Mr. Will Brewer: teampossibles@gmail.com

Team Studio Group: (Group facilitators and volunteers: Erin, Heather, Julie, Kim, Jenny, Will, Marie, Megan, Jessica, Hannah, and Renee).

Team Possibles is a specialized art program with a focus on celebrating the Down syndrome community and culture. The Team Possibles art projects are designed to increase social inclusion, understanding and community involvement for members of the Down syndrome community.

This new Team Hive model has been adapted to more specifically accommodate the needs of the Down syndrome community. The Team Hive aligns with the Halifax inclusion policy; "Inclusion: Parks & Recreation is committed to providing safe and accessible programs for everyone to enjoy. Persons with disabilities are welcome to participate in recreation activities compatible to their interests and abilities."

The Team Studio Art Hive is made possible through the support of: CITY OF HALIFAX, The United Way, and Halifax NS Down Syndrome Society.
