November 2010

To whom it may concern:

The Nova Scotia Down Syndrome Society, or the NSDSS, is a charitable society, dedicated to improving the lives of persons with Down syndrome and their families through advocacy, education and support. We have a Memorandum of Understanding from the Halifax Police Department and RCMP so our volunteers will be charged \$12.00 for their Criminal Records Search.

Please be advised that the bearer of this letter has offered to volunteer with the NSDSS and as a result will be working with children and/or vulnerable persons on behalf of our society. The NSDSS is grateful to our many volunteers for their dedication and we respectfully request a Criminal Records Search for the bearer of this letter.

Yours truly,

Renee Forrestall 477-6252
